

August 1, 2000

Members of the Facility Mailing List for
Safety-Kleen (Wichita), Inc.
2549 N. New York
Wichita, Kansas 67219
EPA ID number KSD007246847

Pursuant to the requirements of 40 CFR 270.42(a)(1)(ii), the facility is notifying you of the following Class 1 administrative and informational modifications to the facility's hazardous waste permit.

- Replacement of Page 1 of 5 of the Hazardous Waster Permit Application, Part A, with a page containing current information. The name of the Facility Contact in Section V of that page is being changed from Andrew Bell to Brian Key
- A Class 1 modification updating the list of Emergency Response Coordinators in the Contingency/Emergency Plan, to reflect personnel changes at the facility, on July 17, 2000.

If you have any questions, please call me at the number listed below.

Sincerely

Ronald K. Robertson
Environmental Manager
